Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

The secret to changing your life is to first change your mind. Most people live life by allowing their minds to control them. In this book you ll learn how to tap the power of your subconscious and make your mind work for you by using affirmations. This book includes: 365 affirmations with complete instructions on how to use them in the most effective ways to get the results you want. Unlock your full inner-potential and achieve your ultimate goals using the age-old techniques of indigenous Afrikan warriors, scholars, and priests. Many indigenous, traditional Afrikan cultures consider the mouth to be a god - a god that manifests the thoughts of the head (mind), also considered a god - thus all positive and negative thoughts we have are made manifest by what we say, so we must learn to use our words wisely and to our benefit instead of to our detriment, because words, indeed have power. There is no limit to the positive changes that can be made through Ofo Ase - the Power of the Word and OFO ASE: 365 DAILY AFFIRMATIONS TO AWAKEN THE WARRIOR WITHIN shows you simple steps to tap into that power!.
